

# ROBERT KENNEDY III

KEYNOTE SPEAKER | WORKSHOP FACILITATOR | LEADERSHIP TRAINER

Robert Kennedy III (RK3) has been called a powerful leadership communicator. But at his core, he is a teacher and trainer. When he speaks, he challenges employees, executives and business leaders to take accountability for their current circumstance and then to CREATE a bigger future for themselves.

His energetic presentations are infused with humor and keep his audiences engaged as he invites them to LEAD WITH PURPOSE and PERFORM WITH POWER!

Robert pulls from more than 15 years as an educator, entrepreneur, workshop facilitator and trainer to keenly tap into his audience, delivering timely information while engaging their urgent needs. He continually seeks ways to help others see the most powerful version of themselves and then create strategies to accomplish it.

## SPEAKING TOPICS & WORKSHOPS

### For Corporate

#### Leading With Purpose

(For Managers)

This workshop/talk will help you figure out how to create a vision that everyone owns, how to connect with your team so that they will play hard for you and strategies for building team trust.

#### Conversations That Matter

In this talk, learn how to listen where it counts, be powerful and clear WHEN it counts and simply learn how to have meaningful, connecting conversations that matter

"Many individuals profess to be 'presenters, trainers, or public speakers', but few are truly able to live up to the expectations of a diverse audience in the manner that Mr. Kennedy did for our staff. He was able to provide accurate information, address individual concerns, and left participants feeling empowered."

~ **Patricia Alvey,**  
Maryland State Dept of Education

"Robert has that 'it' factor...amazing! His delivery is so full of positive energy that the audience is taken up into a heavenly realm of motivation... the man is awesome!"

~ **Frank Dent,**  
Hood Proud International

Purpose | Power | Profit

# LEAD WITH PURPOSE, PERFORM WITH POWER

## For Entrepreneurs

### Too Many Hats

This workshop will show you how to beat burnout by setting up systems, using resources and creating extra time for yourself.

## For College & University Students

### Built To Lead

This presentation will help you recognize your innate gifts and how they contribute to your future. You will walk away with key strategies that will allow you to truly take charge of your life and LEAD instead of simply taking it as it comes. Everyone is BUILT TO LEAD, create something special and be a DIFFERENCE MAKER

## Leading With Purpose

(For Student Leaders and those who wish to lead organizations)

This workshop/talk will help you figure out how to create a vision that everyone owns, how to connect with your team so that they will play hard for you and strategies for building team trust

## For Educators

### Remembering Your Why

This presentation will help you remember why! It will help you grab a hold of your personal leadership so that you can truly teach the leaders of tomorrow.

"Your workshop last Tuesday was fantastic and informative. I learned a lot and want to say thanks for offering "your best stuff.

Thanks you for the complimentary business breakthrough session. I look forward to meeting you again and seeing how you can help my business grow."

~ **Ralph Hastings-Spaine,**

President - Simplified Insurance and Benefits Inc.

"It was absolutely fantastic to work with you this week - it was totally an inspiring, delightful and refreshing experience! You're a gifted trainer / teacher / presenter and I haven't had this much fun in class in a long time Please keep up the good work! THANK YOU!

~ **Lucy**
